## The Skinners' Kent Academy

### Determined Admissions

#### Year 7 Admissions: September 2019

Detailed information about The Skinners' Kent Academy and a prospectus are available from the Academy website: [www.skinnerskentacademy.org.uk](http://www.skinnerskentacademy.org.uk)

Arrangements for applications for places at The Skinners' Kent Academy will be made in accordance with Kent County Council's Co-ordinated Admission Scheme and will be made on the Kent Secondary Common Application Form provided by the local authority.

The PAN for September 2019 Year 7 intake will be 180.

Before the application of oversubscription criteria, children with a statement of special educational need which names The Academy will be admitted. As a result of this, the number of offers will be reduced accordingly. Where the number of applications for admission is greater than the published admission number, applications will be considered against the criteria set out below. The criteria will be applied in the order in which they are set out below:

- a) Looked after children and children who ceased to be looked after following adoption, residence or special guardianship order<sup>1</sup>.
- b) Medical, health, social and special access reasons will be applied in accordance with the Academy's legal obligations, in particular those under the Equality Act 2010. Priority will be given to those children whose mental or physical impairment means they have a demonstrable and significant need to attend a particular school. Equally this priority will apply to children whose parents'/guardians' physical or mental health or social needs means that they have a demonstrable and significant need to attend a particular school. Such claims will need to be supported by written evidence from a suitably qualified medical or other practitioner who can demonstrate a special connection between these needs and the particular school.

#### **All correspondence will be treated as private and confidential**

- c) Admission of students whose sibling attend the Academy **at the point of admission to the Skinners' Kent Academy**. (Note: In this context the term 'sibling' means children who live as brother or sister in the same house, including natural brothers and sisters, adopted siblings, stepbrothers or sisters and foster brothers or sisters.)
- d) Admission to children of staff employed by The Skinners' Kent Academy Trust in either or both of the following circumstances:
  - a. Where the member of staff has been employed at either of the schools forming The Skinners' Kent Academy Trust for two or more years at the time at which the application for admission to the Skinners' Kent Academy is made, and/or

---

<sup>1</sup> a 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

- b. The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
  
- e) Admission of students, on the basis of proximity to the school using a straight line measurement. Distances will be measured between the child's permanent address and the Academy using National Land and Property Gazetteer (NLPG) address point data. Distances are measured by KCC in a straight line from a point within the child's home to a point defined within the Academy as specified by National Land and Property Gazetteer (NLPG). The same address point on the Academy site is used for everybody. When we apply the distance criteria for oversubscription, these straight line measurements are used to determine how close each applicant's home address is to the Academy. The Academy uses measurements provided by the local authority and further information on how distances are calculated is available in the admissions booklets provided by the local authority. *(Further information about how distances are measured and how students living in blocks of flats will be treated for the purpose of distance measurement is also available from the local authority booklets. They will also clarify definitions of permanent/main residence where students live in different locations through joint custody arrangements.)*

## **Year 12 Admissions**

Admission criteria for Year 12 students onto the IBCP scheme (International Baccalaureate Career-related Programme) for **September 2019** is set out below. The IBCP provides an exciting opportunity to attain a certificate that focuses on the mix of practical and academic skills needed by students in the 21st century.

The minimum entry requirement to join Year 12 is 5 C's including a C in English and Maths for **both** Academy students and external applicants.

The Published Admission Number (PAN) will be 75 into Year 12 for September 2019. Priority will be given to existing Academy students transferring from Year 11. The PAN for external candidates will be 15 but this figure may be exceeded in the event that this, together with the number of internal students transferring into Year 12, is less than required to provide an overall total figure.

Current Year 11 Academy students and external students are required to make a formal application to join Year 12 in September 2019 via the Kent Choices 4 U website ([www.kentchoices4u.com](http://www.kentchoices4u.com)). Candidates will be invited to a meeting at the Academy to ensure that their choice of subjects is appropriate for the career path they wish to follow.

In the event of oversubscription, the criteria to be applied will be as defined for Year 7 admissions above.

## **Operation of Waiting Lists**

Subject to any provisions regarding waiting lists in the LA's co-ordinated admission scheme, the Academy will operate a waiting list. Where in any year The Skinners' Kent Academy receives more applications for places than there are places available, a waiting list will operate until one term after the start of the school year. This will be maintained by the Academy Trust and it will be open to any

parent/carer to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application.

Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria set out above. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria.

### **In-Year Admissions**

In line with Kent County Council's (KCC) In Year Admissions Process for Schools, the Skinners' Kent Academy will admit students (with the exception of those entering at the beginning of Yrs 7 and 12) using the KCC In-Year Casual Application Form (where numbers in a year group are 5 or more below PAN).

In all instances the Academy will write to the parents/carers of the child enclosing a Supplementary Information Form. Upon receipt of the completed supplementary information form, the application will be considered as per our admissions criteria.

If at all possible a meeting will be arranged with the prospective student and parents/carers to discuss admission to The Skinners' Kent Academy. During this meeting the admissions process will be discussed in full for entry to the Academy (in relation to the needs of the child and the needs of those already studying at the Academy). Ideally, this discussion will be held on site and be combined with a tour of the Academy.

If a meeting is not possible, the application will be considered per our admissions criteria from details taken of information given on the completed supplementary information form and we will contact the parent/carer to discuss entry to the Academy.

### **Fair Access Protocol (FAP)**

In line with legislation as laid down in the School Admissions Code 2014, the Academy will admit In-Year students through the FAP except where it would be disproportionate to the Academy.

### **Appeals**

Parents/carers have the right to appeal an admissions decision in front of an independent panel. In the first instance your appeal would need to be submitted in the form of a letter addressed to the Chair of Governors at the The Skinners' Kent Academy outlining your reasons for requesting an appeal. Your appeal would be heard in line with the Department of Education guidelines.

| <p>*All schools are required by the Department for Education (DfE) to collect information on our students' ethnic background. Parents/carers of all students are asked to declare their child's ethnicity.</p> <p>Our ethnic background describes how we think of ourselves and may be based on many things, for example, skin colour, language, culture, ancestry or family history. Ethnic background is not the same as nationality or country of birth.</p> <p>Students aged 11-15 are considered capable of deciding their own ethnic identity. The DfE recommends that this decision be made with the support and knowledge of the parent or carer. Students aged 16 and over are recommended to make their own decision.</p> |  |                |           | <p>**A student's first language is defined as any language other than English that a child was exposed to during early development and continues to be exposed to in the home or community. If a child was exposed to more than one language (which may include English) during early development, a language other than English should be recorded, irrespective of the child's proficiency in English.</p> <p>In the case of an older student who is no longer exposed to the first language in the home, and who now uses another language, the school should consult with the student or parent to determine which language should be recorded.</p> |  |   |               |
