A REMINDER

We would like to remind students that when walking/cycling along the Pembury Road to and from the Academy, they should use the correct path. There are two distinct pathways, one for cyclists and one for pedestrians. This is for the safety of our own students and the general public using the pathways. Thank you for your support.

MESSAGE FROM KENT POLICE

Kent Police have asked us to make parents aware of a green Ford Focus estate car that has been seen around the Sherwood area at the end of the Academy day. The people in the car have not approached any of our students but have been acting suspiciously. Please reinforce with your children that they should not be walking home on their own and if approached by a stranger they should call Kent Police on 101 immediately.

DROP OFF AND PICK UP AT THE ACADEMY

We would remind parents that we do have a dedicated safe area in Blackhurst Lane for dropping off and picking up students at the start and end of the Academy day and would strongly urge you to use this space. Students should only be using the Sandown Park entrance if they use bicycles or scooters to travel to and from the Academy as this entrance enables students to access the cycle storage area, or the bus which drives directly onto our site. Student pedestrians should use the pedestrian entrance in Blackhurst Lane and enter the Academy through the Pen & Paper entrance. We do seek your support in this as we strive to ensure that we maintain a safe area around the Academy for both our own student community and that of our neighbours. Thank you.

YEAR 7 NETBALL

Our newly formed Year 7 Netball Team had a spectacular victory yesterday against St Gregs. On arrival, our opponents explained that as they could not raise a Year 7 team; that our girls would be playing against a Year 8B team. This news was kept from the girls in fear of them feeling overwhelmed by the difference in age and experience.

We need not have been fearful - a superb victory, 3 goals to 1. Every member of the team played in the true spirit of the game and with the competitiveness that we expect, despite being two players short through both illness and dental appointments, our reserves ably rose to the challenge. Thank you girls for representing SKA so well. A great victory!

This event is on Thursday 20th November at 5.00-7.00pm. This is an extremely important time for your son/daughter as they consider their future education and we would urge you to come along to this event to see exactly what the Academy can offer in the Sixth Form. On arrival at the Academy, please use the Blackhurst Lane car park from where students will direct you to the event.
