THE ACADEMY DAY

We would like to remind parents that the Academy closes at 5.00pm, unless there is a specific event happening. Whilst we are happy for students to wait for parents in the Library at the end of the Academy day, where they can work on Independent Learning, we would respectfully ask that you make specific arrangements with regard to what time you will be collecting your son/daughter so that they are ready and waiting when you arrive. A text message saying you are outside would be extremely useful. However, at 5.00pm the gates are locked and we do not have the facility to supervise the students after this time.

YEAR 11 PREPERATION EXAMINATIONS – 2nd-5th FEBRUARY 2015

Due to the change in the examination structure, the examination period in the summer will be more congested, therefore it is important that students continue to attend the Academy and work hard in all lessons. In addition, Year 11 students will be involved in a series of Preparation Exams and Controlled Assessment days to ensure that they are in the best possible place for the examination season this summer. The timetable for the Preparation Exams can be found below and these will be very important to staff and students in ascertaining potential final grades this summer. They should be taken seriously and prepared for in the same manner as the final examinations in the summer.
