DUKE OF EDINBURGH

Last weekend three groups of students took part in their first walk and overall, other than a few moments of being geographically challenged, it was a great success. Students showed a great range of skills and were very impressive with their navigation abilities. A successful event! Well done.

Helen Stringer of Kent Young Carers will be in the Academy on Thursday 19th March 2015 at 1.10pm for both a drop-in session and individual appointments with our students in the Academy.
