STUDENT INDEPENDENT LEARNING TIMETABLE

The 2015-2016 Independent Learning timetable is now available to view on our website for years 7-11. We would ask you to take a few minutes to view your child's year group. The students will be set independent learning during their lesson according to the timetable and completion will be advised by the classroom teacher which the student will note down in their planner.

POWER UP TO RECYCLING

We have registered to be part of KCC's 'Power Up to Recycling' Challenge which runs from September 2015 to 8th January 2016. The more batteries we collect (measured by weight) the more vouchers we get for spending on Academy equipment. Please help us collect used domestic batteries for recycling to receive rewards for our school! Recycling boxes will be available around the Academy.

The more we collect the greater value voucher we receive! So please help us raise valuable funds for school and help the environment, by bringing all your old domestic batteries to our battery collection box in school. The challenge runs from September 2015 to 8 January 2016, so please start saving your batteries for us!

We can recycle the following batteries: AA, AAA, C, D, 9v, mobile phone and button cell batteries

Please note: batteries must be from a domestic source and not used in business.

Thank you for your support.

SCHOLASTIC TEEN BOOK CLUB

As in previous academic years the Academy Library offers you a link to a 'Parent Group Order' from Scholastic Teen Reads. Scholastic are one of our suppliers of the latest arrivals in teenage fiction and non-fiction as well as a broad backlist of titles.

Books come at amazing prices, often better than Amazon, and every order you place for your sons and daughters earns free books for the Academy Library to the value of 20% of your order.

The latest Scholastic leaflet is available in the library, but you can also find all books online following this link: <http://schools.scholastic.co.uk/ska>

You can place and pay for your order online, postage is free and all books you order will be sent to the Academy to come home via your sons and daughters. This term's orders must be placed by October 9th, 2015. Many thanks for your support.

PTFA FUNDRAISING VIA ON-LINE SHOPPING - EASYFUNDRAISING

We have set up an account which will raise funds for the Skinners' Kent Academy PTFA whenever you shop online and it will not cost you anything extra! It's quick and easy to set up!

Before starting your shopping online go first to www.easyfundraising.org.uk If you don't have an account, it takes just a few minutes to set one up.

- Click on 'Support a Cause' and choose 'Skinners' Kent Academy PTFA'
- Enter your details to sign up.
- Choose the online retailer you wish to use and click through to their website. You can search for in-excess of 2,500 online businesses including many of the big retailers - Tesco, Sainsbury's, Marks and Spencer, Argos, John Lewis, Amazon, to name but a few.

Once you have clicked through make your online purchase, the retailer will then give the school a donation as a % of your purchase - **at no extra cost to you.**

When making future purchases go via the Easyfundraising website and your online purchases will then increase the money the PTFA receives. Any funds raised will go towards the PTFA's next fundraising project to benefit the children. We are currently fundraising for the orchard and allotment project at the Academy.

With Christmas shopping approaching(!), there is no better time to sign up and help us raise additional funds to benefit the children .

Many thanks
The PTFA
