B4 – 93.6%	N4 – 90.8%
B5 – 93.7%	N5 – 94.5%
B6 – 79.1%	N6 – 99.6%
D1 – 93.3%	N7 – 95.2%
D2 – 92.2%	N8 – 100.0%
D3 – 98.3%	N9 – 96.8%
D4 – 97.1%	N10 – 94.3%
D5 – 96.1%	N11 – 99.7%
D6 – 93.2%	N12 – 91.7%
F1 – 92.7%	N13 – 95.0%
F2 – 95.2%	
F3 – 89.5%	
F4 – 89.6%	
F5 – 96.7%	
F6 – 97.4%	

## Week 1 TERM 3 – ATTENDANCE WHOLE ACADEMY 93.7%

Brunel	92.9%
Darwin	95.0%
Franklin	93.5%
Newton	95.9%

## Year 10 ART TRIP TO THE TATE BRITAIN

Year 10 GCSE Art Students took part in a study visit to The Tate Britain on Friday 11<sup>th</sup> December. They all worked from individually prepared sketchbooks to collect visual information for their next unit of GCSE coursework. In some cases this meant studying art work that related to the theme of 'Interiors' (Still-Life, buildings, rooms etc) and other groups studied the theme of 'Portraits'. Whichever theme was followed, students produced some high quality drawings and detailed information which will be used when researching their next unit of work from Term 3.

## YEAR 9 DUKE OF EDINBURGH AWARD

Save the Date: Wednesday 13<sup>th</sup> January 2016 at 6pm: Year 9 Duke of Edinburgh Award Information Evening for parents (students also welcome). Parents of any Year 9 students who are interested in taking up the challenge, should attend. Attendance confirmation letters will be sent home in January.

## IMPORTANT MESSAGE - CYCLE SAFETY

During the winter months, we would remind parents that students who cycle to/from the Academy are required have lights, both front and rear, on their bicycles. This is particularly important after the Academy day, especially if the student has an extra-curricular club, as it is dusk/dark when they leave. It is a requirement of law for bicycles to have lights after sunset.

## Year 10 and 11 DT RESISTANT MATERIALS REVISION BOOKS

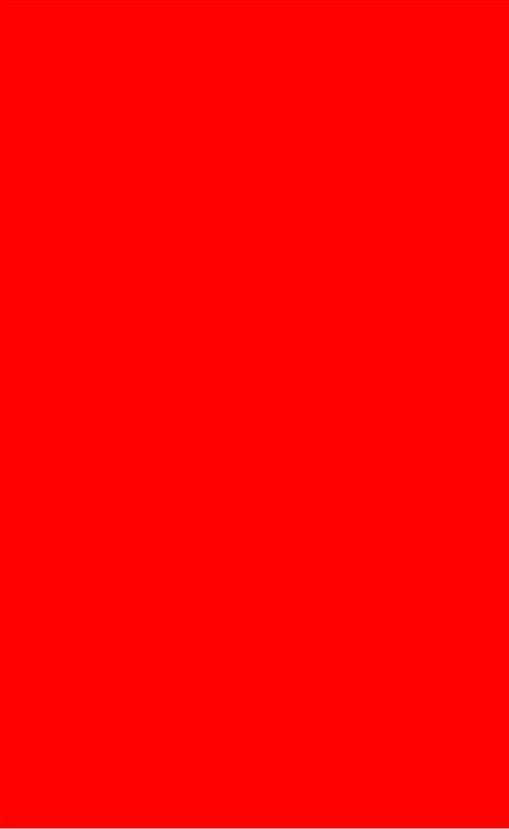

Design & Technology revision books are now available for students to purchase on sQuid at the reduced rate for £2.75 (RRP £5.95). These books have been a fundamental asset in assisting independent revision and were a clear contributing factor to our excellent 76% A\*- C grade results this year. These books will also be of benefit to year 9 students studying DT Product Design who wish to specialise in Woods, Plastics or Metalwork.

## YEAR 11 MATHS REVISION GUIDES

If you require revision guides for Year 11, the following are now available to purchase on sQuid under Trips and Offers.

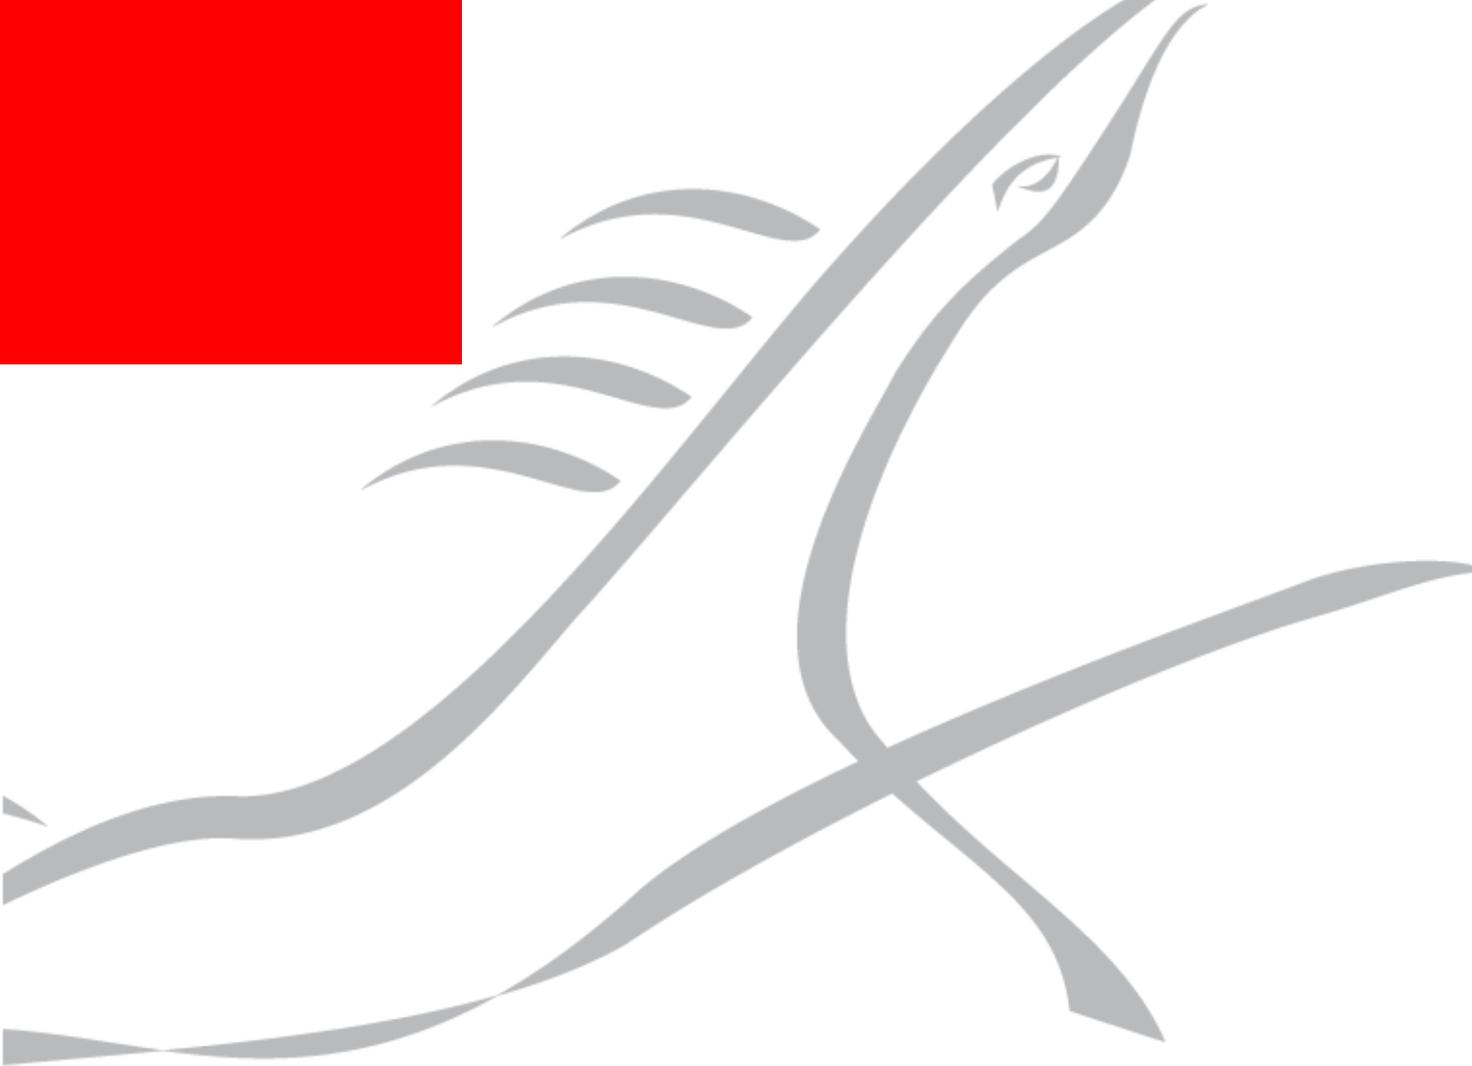

- 1) Edexcel GCSE Workbook from CGP (Higher)
- 2) Edexcel GCSE Workbook from CGP (Foundation)
- 3) Edexcel GCSE Revision Guide from CGP (Higher)
- 4) Edexcel GCSE Revision Guide from CGP (Foundation)

All of these are £2 per unit. Please contact your subject teacher to collect your purchase.

## MATHS WATCH

The Math's department at Skinners' Kent Academy continue to offer learning provisions through Math's Watch. Math's Watch is an interactive online support system and iPad application that gives students the opportunity to revise Math's by topic or grade through a series of videos and worksheets. The Academy's center ID is "skinkerskent" and each student has a unique login code that enables them to access the resource and track their progress. These should be known to the students but if not, they should ask their Math's teacher. There are 3 forms of Math's Watch: Math's Watch KS3 for Year 7 and Year 8 students, Math's Watch 2015 (new specification) for Year 9 and Year 10 and Math's Watch (old specification) for Year 11. Students should either download the appropriate Math's Watch application on their iPad from the App Store or access the website at [www.mathswatch.vle.com](http://www.mathswatch.vle.com) to make the most of this differentiated resource.

# WEEK ONE

# THE MAIN EVENT!
